

Testimony - June 2006

A New Workforce for New York: How the City Can Replace Thousands of Retiring Baby Boomers

At a City Council hearing prompted by the Center's May 2006 report, "Chance of a Lifetime," project director David Jason Fischer testified about what the city must do to prepare at-risk young New Yorkers for the world of work, and the value of a youth-focused workforce intermediary to rationalize and coordinate these efforts.
