# New Visions for New York Street Fairs

New York City street fairs need a makeover. But just what should be done to improve these much-maligned staples of summer? This report features the visions of 25 architects, urbanists, artists, developers and other innovative thinkers, including the founders of successful public markets like the New York City Greenmarket, Union Square Holiday Market and Brooklyn Flea, as well as the creator of Chowhound.com, the organizer of Red Hook Food Vendors and musician David Byrne.
